

PORT ST. JOE MARINA

Marina Happenings

IN THE SPOTLIGHT

Clara Landry – Clara was born and raised in Port St. Joe and has lived here all her life. She is the proud mother to a 20-year-old son, Josey and wife to Trey Landry. Her prior experience before starting at the Marina in 2002 was working at a local bank in town. She started at the

Marina as a ship store clerk and has, thru hard work and a great attitude, worked her way up in the company. She is now the head Book Keeper and Office Manager. She handles the accounting, contracts, and acts as Manager on duty when Aurora is out of the office or out of town. We are very thankful to have her at the Marina and appreciate all her hard work!

FUEL PRICES

As you have noticed on the street, fuel prices have dropped substantially over the past month and the same goes for fuel on the water. As of the printing of this month's newsletter, current pump prices are: Diesel - \$ 3.52 and Gas - \$3.83 per gallon.

BATHROOM RENOVATION

If you haven't been up to the Marina lately you really should come up and see the restrooms! We have painted the walls and added some personal touches to warm them up. Enjoy!

WINDMARK BEACH

Windmark is running a special on their beautifully furnished condos. For \$175.00 you get a 2-night stay, use of the bicycles, kayaks, new pool and deck, and a \$50 gift certificate to the School of Fish restaurant.

This is an unbelievably good deal and we should all take advantage of it. Call the Sales Center 227-2400 for more information and to set up your reservation.

PREVENTATIVE MAINTENANCE

It's that time of year again. All Dry Barn and Outside Rack customers have the opportunity to have marina staff crank your engines and run them for 15-20 minutes, exercise the steering, check the operation of your bilge pumps, blowers, horn, batteries, lights, etc. and make sure the boat doesn't have mechanical issues that need attention. The cost of this service is: \$40 for a single engine; \$55 for twins. We have included our Preventative Maintenance plan in with this month's newsletter if you would like to sign up for this service please call Aurora at the Marina #850-227-9393.

DON'T FORGET THE BIG SALE IN THE SHIP STORE!

All Columbia Clothing has been drastically reduced to bring in new product. We will still be caring the Columbia line but we are also adding some new clothing lines to freshen everything up. Come and do early Christmas Shopping or tuck away Birthday gifts. Over the next few months you will see new gift items and product start to come in. We are always open to suggestion so if you see any really cool boating or gift products you would like to see us carry, please let us know.

DOCKSIDE'S SPECIALS

Dockside is having daily lunch specials. Rick has done a wonderful job at listening to your requests and has come up with 3 different lunch specials all under \$6.00 each day. They include good southern home cooked meals and lighter items for those of us who don't like to eat real heavy at lunch.

November - 2008
